8:30 – 8:45	Welcome and Background	Mary R. Grealy
8:45 – 9:15	Framing the Discussion	Ceci Connolly
	Discussion Questions <ul style="list-style-type: none"> • How will the day progress? What are the objectives? • Why is the issue important? • What are the critical dimensions of value in healthcare that should be covered? 	
9:15 – 9:25	Session 1 – Defining Value	
9:25 – 10:15	Defining Value – Introduction Defining Value Discussion	ZS Associates Group Discussion
	Discussion Questions <ul style="list-style-type: none"> • How do we define value for purposes of the day’s discussion? Is it different from a patient perspective? Among stakeholder groups? What are the commonalities? • What is the timeframe over which we define value? • How can we develop consensus parameters defining value that enable forward progress in innovation? 	
10:15 – 10:30	Break	
	Session II – Current & Future Models	
10:30 – 10:40	Environmental Scan	NORC at University of Chicago
10:40 – Noon	Discussion	Group Discussion
	Discussion Questions <ul style="list-style-type: none"> • How do current payment models incentivize or disincentivize innovation? • Are there specific “promising practices” taking place that payers and/or regulators would like to see replicated that incent innovation for the good of the patient? • How can current government efforts be leveraged to address future innovation in a value based way? Private sector efforts? 	

Noon – 12:15	Break	
12:15 – 1:15	Session III – Discussion of Barriers Lunch and small group discussion	
	Discussion Questions <ul style="list-style-type: none"> • What are the barriers or perceived barriers to innovation? From different health sector, governmental, and patient perspectives? • Current financing mechanisms can limit the delivery of innovative therapies and treatments and create instability for health plans and governments paying for these treatments. What are those barriers and how can they be addressed? 	
1:15 – 1:30	Break	
1:30 – 2:15	Session III – Barriers (cont.)	Reports from Lunch Discussion
2:15 – 3:00	Session IV – Next Steps and Action Plan	Ceci Connolly
	Discussion Questions <ul style="list-style-type: none"> • Based on the day’s discussion of value, promising models that drive value and possible ways to overcome barriers to achieving innovative, value-based care, what principles can the group agree upon for moving forward • Taking today’s discussion, how can we apply these promising models to the journey of a patient with chronic disease (e.g., diabetes, heart disease, cancer) 	
3:00 – 3:30	Concluding Remarks	Ceci Connolly Mary R. Grealy
