

Viable Solutions: Six Steps to Transform Healthcare Now

Mary R. Grealy
President, Healthcare Leadership Council

The Healthcare Leadership Council

- Members are leaders from every sector of healthcare – hospitals, insurers, pharmaceutical companies, medical device makers, distributors, pharmacies and more
- Our mission – a healthcare system that is affordable, accessible, innovative, sustainable and of the highest quality

Why the National Dialogue for Healthcare Innovation?

- Affordable Care Act addressed coverage. Need to focus on other factors affecting healthcare's future.
- NDHI is a platform for conversations and consensus-building
- Enlarge the circle even beyond HLC's diverse membership

The Importance of **V**iable Solutions

- Accelerating healthcare innovation and strengthening value cannot wait
- Progress can happen – even in an election year
- There is bipartisan support for critical steps in healthcare improvement
